MEMORANDUM TO: Colonel White

1. I have explored the question raised in regard to the matter of clearing with the Director of Security prior to appearing or testifying before a loyalty board. We interpret this to mean a loyalty board outside the Agency. 25X1A

2. It appears that this is covered in Regulation [REDACTED] Paragraph 4.B.(4), which reads as follows:

"(4) Private Activities.

Clearances will be required with regard to teaching and studying unofficial courses; attending conventions; engaging in personal foreign travel; serving jury duty; privately sponsoring the entry of aliens into the United States; and all other private activity which might reasonably be construed to affect the security of the Agency.

3. While not mentioned directly, it would seem that appearing before a loyalty board would come under or come close to matching the activities underlined above.

25X1A

4. Wouldn't the mentioning of the above at a Deputies' Meeting be better than publishing a Notice requesting compliance with Regulation [REDACTED]
